

of Colorado has met the minimum standards believed necessary to ensure that mares over 731 days of age being imported into the United States from countries affected with CEM are free of the contagion of CEM. Therefore, § 92.4(a)(8)(ii) is amended to add the State of Colorado to the list of States approved to receive mares over 731 days of age from CEM affected countries.

Alternatives

The alternatives considered in making this decision were (1) not to list Colorado as a State approved to receive mares over 731 days of age from CEM affected countries, and (2) to make the change set forth in this document.

Alternative No. 1 would prohibit the consignment of mares over 731 days of age from CEM affected countries to the State of Colorado. This alternative was not adopted because the Deputy Administrator, Veterinary Services, has determined that Colorado has met the minimum standards necessary to ensure that such mares are free of the contagion of CEM. The continued prohibition on consignment to the State of Colorado would, therefore, constitute an unnecessary restriction on the importation of such mares.

Alternative No. 2 would allow for the consignment of mares over 731 days of age from CEM affected countries to the State of Colorado. This alternative was adopted because the Deputy Administrator, Veterinary Services, has determined that the State of Colorado has met the minimum standards necessary to ensure that such mares are free of the contagion of CEM.

FEDERAL ELECTION COMMISSION

11 CFR Part 110

[Notice 1982-2]

Honoraria; Removal of Limitation

AGENCY: Federal Election Commission.

ACTION: Final rule; technical amendment.

SUMMARY: The Commission is publishing today a technical amendment to its regulations on acceptance of honoraria (11 CFR 110.12) to conform that section to Pub. L. 97-51. The Public Law removed from the Federal Election Campaign Act the \$25,000 annual limit on the amount of honoraria that a Federal officeholder or employee could accept. The technical amendment appearing here removes that limitation from the Commission's regulations.

EFFECTIVE DATE: April 8, 1982.

FOR FURTHER INFORMATION CONTACT: Susan E. Propper, Assistant General Counsel, 1325 K Street, N.W., Washington, D.C. 20463; (202) 523-4143 or toll-free (800) 424-9530.

SUPPLEMENTARY INFORMATION: Pub. L. 97-51, 95 Stat. 958, amended the Federal Election Campaign Act of 1971 in part by eliminating the requirement that no

Federal officeholder or employee accept honoraria during a calendar year in excess of \$25,000. The technical amendment published in this notice deletes from the Commission's regulations the provisions governing this limitation, to bring the regulations into conformance with the Act. The revision follows the language of 2 U.S.C. 441a as amended.

Because the amendment is merely technical and nonsubstantive, it is not a substantive rule within the meaning of the Administrative Procedure Act (relating to notice and comment) or 2 U.S.C. 438(d) (relating to legislative review of Commission regulations). It is therefore made effective April 8, 1982.
