CERTIFICATION

I, Shawn Woodhead Werth, recording secretary for the Federal Election Commission executive session on March 17, 2015, do hereby certify that the Commission decided by a vote of 5-1 to conclude that the Committee was required to refund all general election contributions it accepted before the primary election, including general election contributions it expended on advance expenditures relating to the anticipated general election with the understanding that the \$230,000 in unrefunded contributions at issue may be treated as excessive primary contributions which may be retired either by means of personal contributions from the former candidate or contributions from other eligible primary contributors.

Commissioners Hunter, Petersen, Ravel, Walther, and Weintraub voted affirmatively for the decision. Commissioner Goodman dissented.
