FEC Commissioner,
I would request that any revisions to the Form 3 be held off until after the November elections to avoid confusion with adapting new forms prior to a new election cycle.
Thank you,

The Commission has posted [proposed revisions to Forms 3, 3P, 3X, 6 and Instructions](#). The changes are intended to assist with compliance, provide clearer disclosure, and make the forms more consistent with one another. The Commission requests public comments on the proposed revisions to be sent to fecforms@fec.gov by July 13, 2016.
