\*This table displays the sums of independent expenditures using overall summary totals, as disclosed by committees and filers in regular, periodic reports. This table is the basis for the data in the first paragraph of the Independent Expenditure section of the press release. Independent Expenditure Table 2 captures totals based on itemized transactions reported in Independent Expenditure filings.

\*\*The Political Action Committee (PAC) total excludes amounts for Independent Expenditure-Only Political Committees and Political Committees with Non-Contribution Accounts because these committee types are represented in this table as separate line items.
