*This individual began this election cycle as a candidate for one office and subsequently announced his/her retirement, resignation, or candidacy for another office.

**This individual used the same campaign committee to start the election cycle running for the U.S. House of Represenatives, before switching to the Senate special election, and finally back to the House race.

The use of a single campaign committee for multiple offices makes it difficult to split totals across races. Since this candidate is currently a House candidate, his totals will be included only in this House table and not in the Senate version.

***On February 19, 2018, Pennsylvania's Supreme Court released a new congressional map for the state. As a result, some candidates subsequently amended their registration forms with the Commission to reflect their new district numbers.

The presentation of candidates and their affiliated district numbers reflect their most recent candidate registration forms as of March 1, 2018, the day this table was generated.
