*This table includes only federal activity. The 2020, 2018, 2016, and 2014 receipt and disbursement totals have been calculated taking into account transfers to and from other national, state and local parties. Levin Fund reimbursements (transfers) to the federal account and the Levin share of Federal Election Activity are included in the receipt and disbursement totals. (Levin Funds are a category of funds used to finance certain types of Federal Election Activity. Levin funds may include donations from some sources ordinarily prohibited by federal law (e.g. corporations, unions and federal contractors) but permitted by state law; thus, national parties are not permitted to raise Levin funds. Levin donations are limited to \$10,000 per calendar year from any source or to the limits set by state law, whichever limit is lower.) To see line-by-line financial activity as reported by the party committees for the current cycle, see Party Tables 2b and 3b. To see Levin Fund receipts and disbursements, see Party Table 9. Beginning with the 2013 year-end summary figures, Levin Funds are included because there are federal restrictions on these funds. The figures prior to 2013 in this table reflect the Commission's previous calculation methodology, which did not account for nonfederal transfers and Levin funds. Some transfer figures prior to the 2013-2014 cycle were never calculated in historical press releases, and as a result, are not available.

**Some transfer figures prior to the 2013-2014 cycle were never calculated in historical press releases, and as a result, are not available.

***The overall receipt and disbursement totals do not include transfers from other party committees in this table.
